Your Need-to-Knows

This booklet has everything you need to know about your breakdown cover. But to make it easier to digest, we've pulled out some important bits below. Like what you need when you break down and how to keep your cover valid.

Broken down? You'll need to give us the details below

- Your name and vehicle registration number.
- The vehicle's make and model.
- Where you have broken down. This could be an address, the road name, or the motorway name and nearest junction.
- A number we can contact you on.

Reminders to support your breakdown cover

- > If you break down, always contact us and allow us to assess the situation. If you don't contact us before requesting services, you won't be covered.
- > Keep your vehicle roadworthy. You'll need valid tax, insurance and MOT or we won't be able to help if you break down.
- > We're here to help. But if we tell you about a fault or carry out a temporary repair, it's your responsibility to get it fixed. We won't attend repeat callouts for the same problem.
- > We can't guarantee how quickly we'll be able to get to you after you've reported a breakdown, but we'll always take your circumstances into account.
- > If you do break down you'll be asked to read and sign a form that tells you what we found wrong with your vehicle and what you need to do. Please make sure you read and understand this.
- > Your breakdown cover doesn't cover vehicles over 3.5 tonnes. We also have length and width restrictions (max 6.4m long and 2.55m wide) as we can't tow vehicles bigger than this.
- > Keep a debit or credit card with you when you travel. You may need it for a hire car or to pay for things up front, even if you're covered.

Making sense of your policy

We want our terms and conditions to be clear and easy to understand. To help with this, we use certain words in a specific way. We show the meaning of these words below. These definitions apply to all areas of your contract.

breakdown/break down/broken down

An event that happens during the time you're covered that stops the vehicle being driven. This must be because of a mechanical failure, like if your car won't start. Or an electrical failure, like loss of power.. We don't consider it a breakdown if the vehicle can't be driven because of:

- a road-traffic collision
- fire, flood, theft
- running out of fuel (or charge in an electric vehicle)
- running out of AdBlue in a diesel vehicle
- filling your car / tank with the wrong fuel
- losing or breakdown your keys
- locking your keys in your vehicle
- acts of vandalism, or
- any driver-induced fault.

driver-induced fault

Tyre punctures (even if the vehicle is carrying a serviceable spare tyre).

home

Your permanent home in the UK.

journey

A journey begins when you and your vehicle leave your home address and ends when you return home. However, any journeys in between leaving and returning home, for any purpose, will be covered, whenever and wherever you are.

miles

We calculate miles using the most direct route by road.

passengers

The driver and any number of passengers (up the maximum number as legally permitted by the number of seats in your vehicle).

RAC/we/us/our

- This means RAC Motoring Services in:
 - Section A and B
 - Included Benefits
- This means RAC Insurance Limited in:
 - Section C

Every time we say RAC/we/us/our, it can also mean any person who works for any of the companies above, or we've agreed can work on our behalf.

road-traffic collision

This is if you hit another vehicle or an object (for example, a lamppost or a tree) and damage your vehicle so it can't be driven. If changing your wheel will get you back on the road, we won't consider this a collision.

specialist resource

Resources or tools that our patrols don't usually carry. They may be needed to make a repair or recovery. It may mean a crane, tractor, locksmith, or lifting equipment.

UK

In this policy, UK means England, Scotland, Wales, Northern Ireland, Jersey, Guernsey, and the Isle of Man.

you/your

Anyone who is authorised to use the vehicle.

BREAKDOWN POLICY

How your policy works

Your policy conditions

The following conditions apply to all sections of this breakdown cover. If you don't keep to them, we can refuse cover or cancel your breakdown cover (or both).

1. **Direct request for services** You must request services directly from us. We'll only provide cover if we've arranged or authorised your services.
2. **Callout to avoid repair cost** If we have reason to think you have called us out to avoid the cost of repairing your vehicle, or to correct a repair that's been tried by someone else, we won't provide cover.
3. **Driver with the vehicle** There must be a driver with the vehicle when we attend. If there isn't, we won't be able to provide service.
4. **Vehicle contents** Don't leave valuables in the car. We can't cover any loss or damage to the vehicle's contents.
5. **Under-16s** If we need to recover passengers under the age of 16, they must be accompanied by an adult.
6. **Animals** The only animals allowed in RAC vehicles are assistance dogs. However, if your vehicle needs to be recovered, animals can stay in your vehicle at your own risk. Or we'll do our best to find an alternative way to transport them. We won't be liable for any injury to animals, or damage they cause. We do not transport livestock. We're not responsible for any costs relating to animals.
7. **Roadworthiness** If we repair your vehicle, we're responsible for that repair but this doesn't mean we're confirming the vehicle's legal and roadworthy condition. This is your responsibility.
8. **Uninsured losses** We won't be responsible for any losses after a breakdown that aren't listed in this breakdown cover. For example, we won't pay for any loss of earnings or missed appointments.
9. **Reporting a breakdown** Requests for assistance made more than 24 hours after the breakdown may be refused.
10. **Passengers** The vehicle must not carry more passengers than the number stated in the vehicle's Registration Document. Each passenger must have a separate fixed seat fitted to the manufacturer's specification.
11. **Continuing your journey** We won't cover claims for repairs that aren't essential to you continuing your journey.
12. **Attendance times** We can't guarantee how quickly we'll be able to get to you after you've reported a breakdown, but we'll always try to take your circumstances into account. The estimated times we give you may change because of things outside of our control, including traffic, accidents, and weather. If we think it's the best solution for you, we may send one of our trusted partners to help you.

13. **Breakdowns on motorways or dual carriageways** If an emergency service, local authority, or any government agency handles your breakdown – for example, a breakdown on a live lane of a motorway - we'll only attend and offer recovery if we've been asked to by them.
14. **Choice of options** If you report a breakdown, there may be more than one option available to you. Based on our experience and expertise, we'll recommend what we think is the best option. We'll always discuss your options with you clearly.
15. **Garage Repairs** We won't take responsibility for the repairs done by a garage or repairer. Any acts or omissions are their responsibility. The contract for repairs will be between you and the garage/repairer.
16. **Quality of service** When we arrange car hire, taxis, hotels and other benefits, we'll always do our best to find a suitable option for you. However:
 - a. we aren't responsible for the quality or service of each individual hotel, train or taxi booked
 - b. while we'll always use a reputable car hire company, we aren't responsible for checking the condition of each vehicle or the service of each company.
17. **Event outside of our control** events outside our control may stop us being able to offer you our service as usual. For example, terrorist acts, pandemics or epidemics, extreme weather, industrial disputes, wars, or riots. If this happens, we'll take steps to make sure we can offer you the best service possible.
18. **Specialist resources** Your breakdown cover doesn't cover:
 - a. specialist resource. For example, if you've lowered your suspension and we need special lifting equipment to move your vehicle onto our ramp.
 - b. damage to glass, even if the damage means you can't legally or safely drive. We'll arrange transport to a local garage so you can get your vehicle fixed, but you'll have to pay for the repair.
 - c. tolls, ferries or congestion charges for your vehicle, or our vehicle
 - d. spare tyres and wheels – neither repairing or sourcing them.
19. **Other things not covered** This breakdown cover doesn't include:
 - a. routine servicing, maintenance, or assembly of your vehicle
 - b. breakdowns that happen during events or activities where the normal rules of the road don't apply. For example, we won't attend breakdowns on racetracks, or if you have been immediately recovered from a racetrack. This includes use of the Nürburgring
 - c. breakdown and recovery in a place you or we have no legal access to
 - d. vehicles that aren't being used in line with the manufacturer's guidelines
