OMODA | JAECCO

OMODA 5

INTELLIGENT DESIGN

OMODA 5

The OMODA 5's unique shape not only sets it apart from other vehicles, but also helps to improve performance, by reducing drag.

Owning an OMODA 5 with its distinctive shape is sure to turn heads and make you stand out from the crowd.

THE ART OF INNOVATION

OMODA 5

Every journey is an emotional experience with the OMODA 5. Every curve, every electric fixture and detail is meticulously designed to stimulate your senses and make a bold statement on the road.

The result is not just an ordinary car, but a vehicle that ignites our passion for driving.

The Art of Space

The OMODA 5 interior is crafted with a focus on comfort, blending modern innovation with user-friendly interfaces. Every detail, from the high-quality materials to the thoughtfully designed seating and ergonomics, creates an atmosphere of indulgence and relaxation. When you step inside the OMODA 5, you'll be greeted by a space that invites you to enjoy the journey, knowing that your safety is our priority.

Luxury Interiors

Every aspect of the OMODA 5 interior has been meticulously crafted for comfort, blending modern innovation with intuitive interfaces and advanced features.

Ergonomically designed seating, premium materials and exquisite detailing, create an environment of indulgence.

OMODA 5

Entertainment at Your Fingertips

The 10.25-inch screen puts infotainment at your fingertips with its intuitive interface. Navigate easily through a wealth of features, options and information, all presented with stunning clarity on the crisp display and digital dash. The centre display allows you to wirelessly connect an iOS or Android smartphone, displaying the content of the device on the screen.

Multimedia

Personalise the mood of the OMODA 5 interior with over 60 colours, elevating the stylish interior. Intelligent voice control can adjust the sunroof, air conditioning, ambient lights and headlights.

The multimedia system provides access to the sound field settings in the cabin; personalises the driver assistant; and chooses the colour of the atmospheric interior lighting, which pulses to the rhythm of the music.

Powerful 50W Wireless Charging

Leave your cables at home and hit the road. Keep devices powered without the hassle of plugging in cables. Simply place your compatible device on the charging pad and let the magic happen.

UNDER THE HOOD

OMODA 5

The OMODA 5 is powered by a 1.6-litre turbo petrol engine paired with a 7-speed dual-clutch transmission. This combination delivers 186PS (136.5 kW) of power and 275 Nm of torque, ensuring an ideal balance of responsive driving experience in urban areas and efficient performance for motorway journeys.

1.6T GDI

SAFETY FEATURES

OMODA 5

The OMODA 5 has received the top ENCAP 5 Stars - one of the world's most respected safety ratings, indicating excellent performance in crash protection tests and comprehensive, robust crash avoidance technology.

OMODA 5

"Hello OMODA...!"

Make calls, change music or open windows without lifting a finger. Just ask. Assign your own voice control prompt to experience a new level of convenience and focus on the road, while controlling your environment.

Luxury Features

Other luxury features include dual-zone climate control, adaptive cruise control, sunroof, full eco-leather upholstery and a SONY sound system with 8 speakers.

OMODA 5

Heated Seats and Steering Wheel

The heated front/rear seats and steering wheel allow you to stay nice and cosy on long drives.

Advanced LED Optics

T-shaped LED daytime running lights, together with powerful LED headlights provide improved visibility at night. The original design of the matrix taillights generates a striking 3D illusion, presenting a powerful aesthetic that embodies high-tech, futuristic design.

OMODA 5

OMODA Roadside Assistance
- Available 24/7, to provide support wherever you are in the UK.

7 Year / 100,000 mileage vehicle warranty (whichever comes first)
- Our warranty offers incredible peace of mind and is a firm testament to the confidence we have in the quality and reliability of our vehicles.

PEACE OF MIND

OMODA 5

18" Wheels

The OMODA 5 is equipped with 18-inch alloy wheels and a full size spare wheel. The OMODA 5 Noble has 19" wheels as an option.

360° Camera System

A 360-degree camera is fitted and activated automatically when reversing. Parking assistance comes as standard, with front/rear parking sensors and rear facing camera.

Futuristic Styling

The streamline body is sculpted to create low wind resistance, maximise range, and will achieve a leading drag coefficient of just 0.281.

OMODA 5

Introduction to Chery

Chery, established in 1997, is China's largest vehicle exporter with ambitious global expansion plans. It has launched two internationally focused brands, OMODA and JAECOO.

The recent JD power survey crowned Chery as the most reliable Chinese Brand of 2024.

Tongyue Yin - Chairman

OMODA 5

Chery is the only automotive company in the industry achieving simultaneous growth in fuel and new energy vehicles across domestic and global markets.

Named among China's 'Top 20 Best Overseas Image Enterprises' five times, Chery aims to enhance its global presence through its 'Brand Upward, Market Outward, Technology Forward' strategy, striving to build a world-class brand.

WORLD CLASS

OMODA 5

R&D

Chery emphasises technological innovation and boasts a regional R&D facility in Frankfurt. Chery leads China in mastering core technologies in engines, gearboxes, chassis, platforms, and new energy.

Innovation

Chery was China's first manufacturer to export vehicles and manufacturing technologies globally. Its strategy emphasises localisation and talent development to strengthen its global network.

Inspired by design, advanced technology and top-of-the-line safety standards, Chery has secured over 29,000 patents and is a global leader in independent innovation and engineering.

Global Presence

Chery operates in over 100 countries, with 15 million global users and 100,000 employees. Recognised as China's top car exporter for 20 years, Chery ranks 385th in the Fortune Global 500.

Manufacturing

Currently, all Chery's cars for Europe are built in Wuhu, China, but production is set to expand. A partnership with Spain's EV Motors will enable OMODA and JAECOO models to be manufactured at a former Nissan factory in Barcelona. .
